BREAST CANCER AFFECTS ALL OF US.

Breast cancer is the most common cancer in women. And living with a disability doesn’t make you immune. If you’re over 40, check your breasts regularly, and have a mammogram and a clinical exam every 1–2 years. For more information, visit www.cdc.gov/RightToKnow or call 1–800–CDC–INFO (232–4636); 1–888–232–6348 (TTY).
